

“Geoparks and Modern Society” Conference, 2018 – Participation Forms

Until now scientists and experts from 17 countries are registered to attend the “Geoparks and Modern Society” Conference. The abstract submission deadline expired but **the registration is still open.**

If you are interested in geoparks development and management, and other related issues you are welcome to register and to take part in the scientific discussions (without presentation) and in all conference activities. In case of expressed interest, late abstract submission could be considered until 20 July 2018.
